Are you mad for modern? Are you totally traditional? Or are you, like me, a little bit of both? I've got good news: our furniture and lighting collections will find you wherever you are on the style spectrum.

Light up your life with our Versailles lamps and chandeliers, our twist on French Neoclassicism. Sink into our deep and divine Pompidou collection and transport yourself to a groovy gallerist's Tribeca loft.

Bachelor pad? All Bond everything, and why not throw in a swanky Pierre chair.

Socialite's lair? Try a glamorous Rider desk topped with a sparkling Globo lamp.

Want a place for your free-range kids and pets that's also mega chic? Say hi to our family-friendly Caprice dining chairs and classic Lampert sofa in Brussels Charcoal velvet.

Perfect proportions, stately style and, always, a focus on function. We've got the goods to make you even more... YOU!
